Technical drawing of a 1440mm wide, 2280mm high assembly. The drawing shows a top view with dimensions in mm. The overall width is 1440mm and the overall height is 2280mm. The drawing is divided into two main sections by a horizontal centerline. The top section has a total width of 23000mm and a total height of 1135mm. The bottom section has a total width of 3440mm and a total height of 1135mm. The drawing includes labels for 'Active D-Kapitallack' and 'Active L-Kapitallack'. The drawing also shows a detailed view of a component on the right side, which is a 1440mm wide, 2280mm high assembly with a 1135mm wide, 1135mm high section. The drawing includes dimensions for the components and their positions.

Section	Component	Width (mm)	Height (mm)	Position (mm)
Top Section	Top Left	2000	1135	0 - 2000
	Top Middle	3085	1135	2000 - 5085
	Top Right	5930	1135	5085 - 11015
	Top Far Right	1135	1135	11015 - 12150
Bottom Section	Bottom Left	3440	1135	0 - 3440
	Bottom Middle	390	1135	3440 - 3830
	Bottom Right	6670	1135	3830 - 10500
	Bottom Far Right	390	1135	10500 - 10890
